Case No. 2:22-cv-04252-MCS-SK

This Document Relates to:

Hon. Mark C. Scarsi

ALL ACTIONS

**DECLARATION OF LATASHA
RANSOME IN SUPPORT OF
FINAL APPROVAL**

1 I, Latasha Ransome, hereby declare under penalty of perjury pursuant to 28
2 U.S.C. § 1746 as follows:

3 1. I am a named plaintiff in the above-captioned case. I have personal
4 knowledge of the facts stated herein and, if called upon to testify, would be
5 competent to do so.

6 2. In 2022, I purchased a 2019 Acura MDX in Warwick, Rhode
7 Island.

8 3. My vehicle suffered from the No Restart defect on numerous
9 occasions between the date I purchased it and the date that I received the
10 replacement starter, as discussed below.

11 4. Prior to the filing of the First Amended Complaint in this action, I
12 contacted Class Counsel regarding the No Restart defect, and I retained Class
13 Counsel to represent me in this case. I agreed to act as a representative plaintiff in
14 a class action litigation, with the understanding that I agreed to act in the best
15 interests of the class.

16 5. My interests are aligned with those of the Settlement Class.
17 Throughout the course of the litigation, I have sought to help purchasers and
18 lessees of vehicles suffering from, or subject to, the No Restart defect receive
19 reasonable relief from Honda. I do not have any interests that are antagonistic to
20 or conflicts with the interests of the Settlement Class.

21 6. Since joining the case, I have communicated with my attorneys to
22 keep myself updated regarding what was happening in the case and to answer my
23 attorneys' questions regarding my individual facts and circumstances. The
24 communications included, among other things, initial conversations regarding the
25 issues with my vehicle, verifying information prior to joining this action, updating
26 my attorneys on any change in status in my efforts to get the No Restart defect
27 repaired, discussing the status of the litigation, and discussing the status of
28 settlement discussions.

1 7. I searched for and produced responsive documents in response to
2 Honda's document requests, and I provided information in response to Honda's
3 interrogatories. On March 18, 2024, I testified in a deposition, conducted by
4 Honda's counsel, lasting approximately three and a half hours.

5 8. I estimate that I have spent approximately 35 hours participating in,
6 and performing work relating to, this action.

7 9. I have reviewed the terms of settlement and believe that the benefits
8 provided by the settlement represent an excellent result for the Settlement Class.
9 Specifically, I believe that Honda's agreement to provide a free starter replacement
10 without requiring that its dealers or service centers first verify that a vehicle is
11 suffering from the No Restart defect is a very significant benefit. From my own
12 experience with the No Restart defect, I know that it happens intermittently and
13 that one cannot reasonably expect that the problem can be duplicated, or verified,
14 by any service center or dealership.

15 10. My vehicle suffered from the No Restart defect after receiving the
16 software update described in the Honda service bulletins referenced in the
17 Settlement.

18 11. Prior to implementation of the amended service bulletins, pursuant
19 to the Settlement, I attempted to receive a remedy to the No Restart defect and the
20 service center at Acura by Executive in North Haven, Connecticut provided me
21 only with the inadequate software update described in the Honda service bulletins
22 referenced in the Settlement.

23 12. On or around November 2025, after the Settlement, I was able to
24 receive a free starter replacement from Acura by Executive in North Haven,
25 Connecticut pursuant to the terms of the Settlement.

26 13. I understand that under the settlement, Class Counsel will request
27 that the Court award each Class Representative, including myself, an incentive
28 award of \$7,500.

1 14. I have been informed and understand that whether I receive an
2 incentive award payment and, if so, in what amount, is entirely up to the Court. I
3 also understand that the incentive awards are to be considered by the Court
4 separately from whether the settlement is fair, reasonable, and adequate, and that
5 if the Court declines to award the requested incentive awards, that determination
6 will not affect the validity or finality of the settlement. My support of the
7 settlement is not conditioned on an incentive award.

8 15. I also endorse the application for attorneys' fees by Class Counsel. I
9 believe Class Counsel should be awarded fair compensation for their significant
10 efforts since before the inception of this litigation, for the excellent result achieved,
11 and the substantial risks undertaken in this litigation.

12 16. I recommend the settlement based on my belief that it is fair and
13 reasonable and in the best interest of the proposed class.

14 **I declare under penalty of perjury that the foregoing is true and correct.**
