ATTORNEY GENERAL LITIGATION:

Beasley Allen is a proven leader in Attorney General Litigation on a national level. We have provided legal representation to several states, including Alabama, Alaska, Georgia, Hawaii, Kansas, Kentucky, Louisiana, Mississippi, South Carolina, Utah and West Virginia. The firm has also confidentially investigated matters for other attorneys general.

Our experience in these complex legal cases involves conducting thorough investigations to determine if litigation is necessary, providing counsel to the states on whether to pursue legal action, managing all aspects of litigation once it is filed, negotiating the Attorney General's claims during settlement discussions, and presenting the case in court before a judge and jury and even handling the case on appeal.

Our firm has recovered billions of dollars or multiple states

We have a track record of recovering billions of dollars for various states, with over \$1.5 billion related to state funds. We specialize in representing states and attorneys general in various litigation cases, including cases related to Medicaid fraud, antitrust, consumer protection violations, false claims, fraud, unjust enrichment, false advertising, negligence, breach of contract, nuisance abatement and unfair and deceptive trade practices.

We have handled cases involving fraudulent pricing of prescription drugs on behalf of eight states with Average Wholesale Price issues, represented four states against McKesson Corporation for its fraudulent and unfair practices involving prescription drugs, represented two states in the Fresenius litigation case involving the medical device GranuFlo, and tackled the Unapproved Drugs litigations on behalf of two states concerning the states' reimbursement of drugs with fraudulently obtained Medicaid reimbursement approval status.
