Authorized by the U.S. District Court for the Northern District of Alabama

IF YOU OWN OR LEASE OR PREVIOUSLY OWNED OR LEASED CERTAIN HONDA OR ACURA VEHICLES, YOU COULD GET BENEFITS FROM A CLASS ACTION SETTLEMENT.

Para ver este aviso en español, visita www.HondaFuelPumpsSettlement.com.

- There is a proposed settlement that has been preliminarily approved by the court in a class action lawsuit against American Honda Motor Co., Inc. ("Honda"), and Denso International America, Inc. ("Denso"), concerning certain Honda and Acura vehicles equipped with low-pressure fuel pumps manufactured by Denso ("Covered Vehicles"). If you are included in the Settlement, you have legal rights and options and deadlines by which you must exercise them.

- You are included in the Settlement if you own(ed), purchase(d) or lease(d) a Covered Vehicle. You can use a VIN-lookup tool at www.HondaFuelPumpsSettlement.com to determine if your vehicle is a Covered Vehicle.

- The Settlement offers several benefits, depending on the vehicle, including a limited warranty for repairs to correct defects in the low-pressure fuel pumps, complimentary towing and loaner vehicles, reimbursement of certain out-of-pocket expenses, and a reconsideration procedure. These benefits are described in more detail below, in the Settlement Agreement, and at www.HondaFuelPumpsSettlement.com.

- Please read this Notice carefully. Your legal rights are affected, whether you act or do not act. The Court still has to decide whether to finally approve the Settlement. We do not know if or when the court will do so or whether there will be any appeals that would have to be resolved in favor of the Settlement before certain benefits would be provided. You are encouraged to periodically check www.HondaFuelPumpsSettlement.com, because it will be updated with additional information from time to time.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS

BENEFIT FROM THE LIMITED WARRANTY	• Honda will provide limited warranty coverage for all low-pressure Denso fuel pumps in Covered Vehicles, including those installed as part of a recall ("Limited Warranty"). • The Limited Warranty will last for fifteen (15) years, measured from the In-Service Date of the Covered Vehicle, or up to 150,000 total miles, whichever comes first. For any Covered Vehicle that already exceeds fifteen (15) years or 150,000 total miles as of the Final Effective Date, the Limited Warranty will last for ninety (90) days from the Final Effective Date. Any Fuel Pumps installed during this ninety (90) day period shall continue to be covered under Honda's one (1) year genuine replacement parts warranty.	You do not need to do anything to receive the Limited Warranty.
SEEK COVERAGE UNDER THE LOANER/TOWING PROGRAM	• If you own or lease a Covered Vehicle that is having its low-pressure fuel pump repaired under the Limited Warranty, you are entitled to receive a complimentary loaner vehicle upon reasonable notice to your Honda or Acura dealer, and/or a complimentary tow to the nearest Honda or Acura dealer upon reasonable notice, if your vehicle is inoperable or exhibiting a dangerous condition. • If you have a reasonable need to do so, you may keep the loaner vehicle for up to 24 hours after you drop off your vehicle for repair, or after you are informed by your dealer that your vehicle is repaired, whichever is later. In appropriate circumstances, when you have a need for a loaner or rental vehicle similar to the Covered Vehicle, Honda, through its dealers, shall use good faith efforts to satisfy the request.	The Loaner/Towing Program is available during the Limited Warranty. You do not need to do anything at this time.

FILE A CLAIM FOR REIMBURSEMENT	• You may submit a Claim Form for reimbursement of reasonable, previously paid out-of-pocket expenses incurred to repair or replace the low-pressure fuel pump in a Covered Vehicle that were not otherwise reimbursed and that were incurred before the Final Effective Date of the Settlement.	The deadline for filing a Claim Form is ninety (90) days after the Court issues the Final Order and Judgment, which will occur, if approved, after the Final Approval Hearing.
EXCLUDE YOURSELF ("OPT OUT")	• Ask to exclude yourself (opt out) from the proposed Settlement. You will not receive any of the Settlement benefits, but this is the only option that allows you to keep your right to sue Honda or Denso about the issues in this lawsuit later.	Postmarked by: **January 16, 2027**
OBJECT	• Write to the Court about why you do not like the proposed Settlement. • You will still be bound by the Settlement if the Court approves it.	Postmarked by: **January 16, 2027**
ATTEND THE FINAL APPROVAL HEARING	• You can ask to speak at the Final Approval Hearing, either on your own or through your own lawyer, at your expense. • You are not required to attend the hearing to participate in the proposed Settlement.	Filed by: **January 16, 2027**
DO NOTHING	• You will be included in the Class and be bound by the Settlement, but you give up the right to sue Honda or Denso about the issues in the lawsuit. • If you want reimbursement, you must be included in the Class and must file a Claim Form by the claim filing deadline.	

A. BACKGROUND INFORMATION

1. What is this Notice about?

A court authorized this Notice because you have a right to know about a proposed Settlement of a class action lawsuit and about all of your options before the Court decides whether to give final approval to the Settlement. The name of the lawsuit is *Oliver v. American Honda Motor Co., Inc.*, No. 5:20-cv-00666-MHH (N.D. Ala.). The defendants are American Honda Motor Co., Inc. ("Honda") and Denso International America, Inc. ("Denso") (together, "Defendants"). You are NOT being sued. This Notice explains the lawsuit, the Settlement, and your legal rights. The Court still has to decide whether to finally approve the Settlement. Please be patient and check www.HondaFuelPumpsSettlement.com for updates. Please do not call the Judge or Clerk of Court.

2. What is the lawsuit about?

This class action lawsuit alleges that certain Honda and Acura vehicles are equipped with defective low-pressure fuel pumps manufactured by Denso. The lawsuit pursues claims for alleged violations of various state consumer protection statutes, strict liability, and breach of warranty, among other claims. You can read the operative complaint on www.HondaFuelPumpsSettlement.com. Honda and Denso deny that they have violated any law and deny that they engaged in any wrongdoing. The parties agreed to resolve this lawsuit. This Settlement does not involve claims of personal injury, wrongful death, or actual physical property damage arising from the Covered Vehicles.

3. What has happened in this lawsuit?

On May 11, 2020, Plaintiff Tucker Oliver filed a class action complaint in the United States District Court for the Northern District of Alabama, captioned *Oliver v. Honda Motor Co. Ltd., et al.*, No. 5:20-cv-00666-MHH (N.D.AL.) ("Oliver"), asserting claims related to recalls of certain Honda and Acura vehicles equipped with low-pressure fuel pumps manufactured by Denso.

On June 10 and September 21, 2020, two class actions were filed in other federal courts making allegations substantially similar to those in *Oliver*. These other cases were, respectively, *Cummings v. Honda Motor Co. Ltd., et al.*, No. 2:20-cv-13000-BRM-JAD (D.N.J.) ("*Cummings*"), and *Booker et al. v. American Honda Motor Co., Inc.*, No. 2:20-cv-05166-SVW (C.D. Cal.) ("*Booker*"). On October 20, 2020, *Booker* was stayed pending resolution of this lawsuit. On December 23, 2020, *Cummings* was transferred to the Northern District of Alabama. On Plaintiffs' motion, the court consolidated *Oliver* and *Cummings* on February 17, 2021.

On May 3, 2021, Plaintiffs filed their Consolidated Amended Complaint ("CAC"). The CAC was brought by twelve (12) Plaintiffs on behalf of a nationwide class alleging negligent recall, fraudulent concealment/omission, breach of contract, strict product liability, and unjust enrichment, among other claims, and individual state classes for alleged violations of consumer protection statutes and breaches of implied warranty.

On June 15, 2021, Honda and Denso filed motions to dismiss the CAC, which the court granted in part and denied in part on March 15, 2023.

On August 12, 2021, Denso Corporation was dismissed without prejudice. Honda Motor Co., Ltd. was dismissed without prejudice on August 13, 2021.

On June 16, 2023, Plaintiffs filed their Third Consolidated Amended Complaint ("TCAC"), removing claims that were dismissed by the court. On July 28, 2023, Honda and Denso filed motions to dismiss the TCAC, which the court denied without prejudice to raising the same arguments at summary judgment, on September 24, 2024. Denso and Honda filed their answers to the TCAC on October 29 and October 30, 2024, respectively.

The Parties engaged in nearly two years of discovery in this lawsuit. "Discovery" refers to the process for the parties to exchange information and evidence concerning the issues in the lawsuit. During that time, Honda and Denso produced nearly 45,000 documents, which included engineering and design documents, warranty and field data, and materials relating to the development, testing, and implementation of the recall fix. With the assistance of automotive experts, Plaintiffs' counsel reviewed and analyzed these documents, and also took the depositions of Honda and Denso engineers. Additionally, vehicles belonging to three Plaintiffs were inspected by experts. Defendants also took the depositions of nine Plaintiffs.

On March 14, 2025, April 21, 2025, August 27, 2025, and January 13, 2026, the parties participated in mediation sessions before an experienced neutral to negotiate the terms of a Settlement Agreement.

4. What vehicles are included in the Settlement?

Various Honda and Acura vehicles equipped with certain low-pressure Denso fuel pumps sold or leased in the 50 States, the District of Columbia, or Puerto Rico ("Covered Vehicles") are included in the Settlement. The Covered Vehicles include the vehicles that were recalled in Honda's Recalls 20V-314, 21V-215, and 23V-858, and additional vehicles that were not previously recalled. A VIN-lookup tool is available at www.HondaFuelPumpsSettlement.com to determine if your vehicle is a Covered Vehicle.

5. What is a class action?

In a class action, people called "Class Representatives" sue on behalf of other people who have similar legal claims. All of these people together are the "Class" or "Class Members". The Court resolves the issues for all Class Members, except for those who exclude themselves from the Class.

6. Why is there a Settlement?

The parties in this lawsuit agreed to a settlement to avoid the cost and risk of continuing the lawsuit, including a potential trial, and so that the Class Members can get benefits, in exchange for releasing Honda and Denso from liability. The Settlement does not mean that Honda or Denso broke any laws or did anything wrong, and the Court did not decide which side was right. This Settlement has been preliminarily approved by the court, which authorized the issuance of this Notice. The Class Representatives and the lawyers representing them believe that the Settlement is in the best interests of all Class Members.

B. WHO IS IN THE SETTLEMENT

7. How do I know if I am part of the Settlement?

You are a Class Member if you are a person or a legal entity who, at any time as of the Preliminary Approval Order, own or owned, purchase(d) or lease(d) Covered Vehicles in any of the fifty States, the District of Columbia, or Puerto Rico.

Excluded from the Class are: (a) Honda, its officers, directors and employees; its affiliates and affiliates' officers, directors and employees; its distributors and distributors' officers, directors and employees; and Honda and Acura Dealers and Honda and Acura Dealers' officers and directors; (b) Denso, its officers, directors and employees; its affiliates and affiliates' officers, directors and employees; its distributors and distributors' officers, directors and employees; (c) Plaintiffs' Counsel; and (d) judicial officers and their immediate family members and associated court staff assigned to this lawsuit.

A VIN-lookup tool is available at www.HondaFuelPumpsSettlement.com to determine if your vehicle is a Covered Vehicle.

8. I am still not sure if I am included in the Settlement.

If you are still not sure whether you are a member of the Class, you can get help at www.HondaFuelPumpsSettlement.com, by calling (888) 888-3082 toll free, or by contacting Class Counsel (see below).

C. SETTLEMENT BENEFITS

9. What benefits does the Settlement provide?

If you are a Class Member, what you are eligible to receive depends on several factors. The Settlement benefits are outlined below, and more information can be found at www.HondaFuelPumpsSettlement.com. The Court still has to decide whether to finally approve the Settlement. We do not know if or when the court will do so or whether there will be any appeals that would have to be resolved in favor of the Settlement before certain benefits would be provided.

Please note that you may have to take action within certain deadlines to receive certain benefits, such as completing and submitting a claim form for reimbursement of eligible out-of-pocket expenses. If you do nothing, you may not receive certain benefits from the Settlement, and, as a Class Member, you will not be able to sue Honda or Denso about the issues in this lawsuit.

The following benefits are available to you under the Settlement:

Limited Warranty
Honda will provide warranty coverage for all low-pressure Denso fuel pumps in the Covered Vehicles, including those installed as part of a recall. The Limited Warranty will last for fifteen (15) years, measured from the In-Service Date of the Covered Vehicle, or up to 150,000 total miles, whichever comes first. For any Covered Vehicle that already exceeds fifteen (15) years or 150,000 total miles as of the Final Effective Date, the Limited Warranty will last for ninety (90) days from the

Final Effective Date; provided, however, that fuel pumps installed during this ninety (90) day period will continue to be covered under Honda's one (1) year genuine replacement parts warranty. A Class Member's rights under the Limited Warranty are transferred with the Covered Vehicle. Salvaged Vehicles, inoperable vehicles, and vehicles with titles marked flood-damaged are not eligible for the Limited Warranty.

You do not need to submit a Claim Form to receive the Limited Warranty.

Loaner/Towing Program

Without cost to and upon request from Class Members who own or lease Covered Vehicles whose low-pressure Denso fuel pumps are being repaired or replaced pursuant to the Limited Warranty, Class Members who own or lease such Covered Vehicles are entitled to receive a complimentary Loaner Vehicle by Honda Dealers upon reasonable notice. In appropriate circumstances, where the Class Member has a reasonable need for a Loaner Vehicle similar to their Covered Vehicle, Honda, through its dealers, shall use good faith efforts to satisfy the request. Where the Class Member has a reasonable need, the Class Member may return the Loaner Vehicle up to 24 hours after the time they drop off their Covered Vehicle at the Honda Dealer, or 24 hours after they are informed by the Honda Dealer that the repair on their Covered Vehicle has been completed, whichever is later.

If the Covered Vehicle is inoperable or is exhibiting a dangerous condition related to the low-pressure fuel pump covered by the Limited Warranty, the Class Member will receive a complimentary tow to a Honda Dealer upon reasonable notice. The Class Member may contact a Honda Dealer to arrange for towing to the nearest Honda Dealer.

If a Class Member and/or subsequent purchaser/lessee of a Covered Vehicle is denied coverage for repairs (including parts and labor) or replacement of the low-pressure Denso fuel pumps under the Limited Warranty, the Class Member and/or subsequent purchaser/lessee can take the Covered Vehicle to another Honda Dealer. If the other Honda Dealer determines that the Covered Vehicle qualifies for repair under the Limited Warranty, the Class Member shall be provided those benefits as provided in this Settlement Agreement.

You do not need to submit a Claim Form to receive a loaner vehicle or a complimentary tow.

Out-of-Pocket Claims Reimbursement

Class Members may submit a Claim Form for previously paid out-of-pocket expenses incurred to repair or replace a Fuel Pump of Covered Vehicles that were not otherwise reimbursed and that were incurred before the Final Effective Date. Specifically, Class Members may be reimbursed for reasonable out-of-pocket expenses for: (i) rental vehicles; (ii) towing; and (iii) unreimbursed repairs or part replacements, including parts and labor and diagnostic fees related to or resulting from the low-pressure fuel pump.

Out-of-pocket expenses that are the result of damage, collision, and/or misuse/abuse will not be eligible for reimbursement. Vehicles where the title, prior to the date of the qualifying Fuel Pump repair, was transferred to a salvage yard, junkyard, wreckage facility, or similar entity, inoperable vehicles, and vehicles with titles marked flood-damaged are not eligible for this benefit.

The claim form is available at www.HondaFuelPumpsSettlement.com. Class Members must submit claim forms and any supporting documentation postmarked by 90 days after the Court issues the Final

Order and Judgment, which will occur, if approved, after the Final Approval Hearing. If the Settlement is approved, the deadline for filing a Claim Form will be posted on www.HondaFuelPumpsSettlement.com.

For more information on the claims process, please visit www.HondaFuelPumpsSettlement.com.

10. What am I giving up to receive Settlement benefits?

If the Settlement becomes final, Class Members who do not exclude themselves from the Class will release Honda and Denso from liability and will not be able to sue Honda or Denso about the issues in this lawsuit, but will not be releasing any legal claims for personal injury, wrongful death or physical property damage (except to the low-pressure fuel pump in the Covered Vehicle itself) from the Covered Vehicle. The Settlement Agreement is available at www.HondaFuelPumpsSettlement.com. Section VII describes the released claims, so read it carefully. The full release section is included in the Appendix to this Notice. You can talk to one of the lawyers listed below for free or you can talk to your own lawyer at your own expense.

D. EXCLUDING YOURSELF FROM THE SETTLEMENT

11. How do I get out of the Settlement?

You must mail a request for exclusion **postmarked on or before January 16, 2027**. The written request must include:

(i) The case name and number: *Oliver v. American Honda Motor Co., Inc.*, No. 5:20-cv-00666-MHH (N.D. Ala.);
(ii) Your name, current residential address, current mailing address (if different), telephone number, and email address;
(iii) An explanation of the basis upon which you allege to be a Class Member, including the make, model, year, and VIN(s) of the Covered Vehicle(s);
(iv) A request to be excluded from the Class; and
(v) Your dated, handwritten signature (an electronic signature or attorney's signature is not sufficient).

You cannot ask to be excluded over the phone. You must mail your exclusion request to:

Oliver v. Honda
Notice Administrator
PO Box 2774
Portland, OR 97208-2774

The deadlines found in this Notice may be changed by the Court. Please check www.HondaFuelPumpsSettlement.com for updates.

12. If I exclude myself, can I get any benefits from the Settlement?

No. If you exclude yourself, you will not get Settlement benefits, you will not be bound by anything that happens in this lawsuit, and you cannot object to the Settlement.

13. If I do not exclude myself, can I sue Defendants for the same thing later?

No. Unless you exclude yourself, you give up the right to sue Honda or Denso for the issues in this lawsuit. If you do not exclude yourself and the Settlement is finally approved, you will be bound from initiating or continuing any lawsuit or other proceeding against Honda or Denso about the issues in the lawsuit.

E. THE LAWYERS REPRESENTING YOU

14. Do I have lawyers in this lawsuit?

Yes. The court has appointed lawyers to represent you and other Class Members. These lawyers are called "Class Counsel." Class Counsel and their contact information are:

If you want to be represented by another lawyer, you may hire one to appear in court for you at your own expense.

15. How will the lawyers be paid?

After the Parties reached final agreement on the substantive material terms of this Settlement, the Parties mediated the issue of reasonable attorneys' fees, costs, and individual Class Representative service awards, with the assistance of Hon. Gerald E. Rosen (ret.) with JAMS ADR, Inc., in two lengthy, in person sessions. Following a series of continued negotiations between the Parties after the final in person session, on September 28, 2026, the Parties agreed that Class Counsel may make an application for an award of attorneys' fees and expenses ("Attorneys' Fees and Expenses") in an amount not to exceed Sixteen Million Dollars ($16,000,000) and service awards of up to Five Thousand Dollars ($5,000) to each of the named Plaintiffs ("Class Representative Service Awards").

Defendants will pay Attorneys' Fee and Expenses to Plaintiffs' Counsel and Class Representative Service Awards to named Plaintiffs separate and apart from any relief provided to the Settlement Class. Under no circumstances will Defendants' payment of Attorneys' Fees and Expenses, and Class Representative Service Awards reduce your Settlement benefits.

Class Counsel will apply to the Court for an order awarding: Attorneys' Fees and Expenses of up to $16,000,000, and Class Representative Service Awards of up to $5,000 per Class Representative. The Court must approve the request for Attorneys' Fees and Expenses and Class Representative Service Awards and may award amounts different than what Class Counsel seek.

Please check www.HondaFuelPumpsSettlement.com for updates.

F. OBJECTING TO THE SETTLEMENT

16. How do I tell the Court if I do not like the Settlement?

If you are a Class Member, and you do not exclude yourself from the Class, you can object to the Settlement if you do not like some part of it or all of it. You can give reasons why you think the Court should not approve it. You can also object to the request for Attorneys' Fees and Expenses and Class Representative Service Awards.

To object, you must file electronically or mail to the Clerk of Court a written objection so that it is **filed or postmarked no later than January 16, 2027**, and copies must be mailed to the lawyers below.

Your objection must include:

(i) the case name and number: *Oliver v. American Honda Motor Co., Inc.*, No. 5:20-cv-00666-MHH (N.D. Ala.);

(ii) your name, current residential address, current mailing address (if different), telephone number, and email address;

(iii) an explanation of the basis upon which you claim to be a Class Member, including the make, model year, and VIN(s) of the Covered Vehicle(s);

(iv) whether your objection applies only to you, a specific subset of the Class, or to the entire Class, and all grounds for the objection, accompanied by any legal support for the objection, and any documents or other evidence you believe supports your objection;

(v) the number of times you have objected to a class action settlement within the last five years and the case name and number of each such case and related appeal, and a copy of any orders related to or ruling upon your objections;

(vi) the full name, telephone number, mailing address, and e-mail address of any lawyer who will represent you, including any former or current counsel who may be entitled to compensation for any reason related to your objection;

17. What is the difference between objecting to and opting out from the Settlement?

Objecting is telling the court that you do not like something about the Settlement. However, you are still bound by the Settlement, including the releases in the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself (opting out) from the Settlement is telling the court that you do not want to be part of the Settlement. If you exclude yourself from the Settlement, you cannot object to the Settlement because it no longer affects you. If you exclude yourself, you are not bound by releases in the Settlement.

G. FINAL APPROVAL HEARING

18. When and where will the court decide whether to grant final approval of the Settlement?

The Court will hold a Final Approval Hearing on February 18, 2027, at 2:00 p.m., at the U.S. District Court for the Northern District of Alabama, Hugo L. Black United States Courthouse, 1729 5th Avenue North, Birmingham, Alabama, 35203. At the hearing, the Court will consider whether to give final approval to the Settlement and grant Class Counsel's motion for Attorneys' Fees and Expenses and Class Representative Service Awards. If there are timely objections, the Court will consider them at this time. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take.

Note: The date and time of the Final Approval Hearing are subject to change without further notice to the Class. The Court may also decide to hold the hearing via video conference or by telephone.

You should check the Settlement Website www.HondaFuelPumpsSettlement.com to confirm the date and time of the Final Approval Hearing have not changed.

19. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to come at your own expense. If you send an objection, you do not have to come to court to talk about it—but you can if you provide advance notice of your intention to appear (see below). As long as you filed a written objection with all of the required information by the deadline, the Court will consider it. You may also pay another lawyer to attend, but it is not required.

20. May I speak at the hearing?

You or your lawyer may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must send a letter saying that it is your "Notice of Intent to Appear" in "*Oliver v. American Honda Motor Co., Inc.*, No. 5:20-cv-00666-MHH" to the following address so that it is **postmarked no later than January 16, 2027**:

Clerk of Court
U.S. District Court, Northern District of Alabama
Hugo L. Black U.S. Courthouse
1729 5th Ave. North
Birmingham, AL 35203
Re: *Oliver v. American Honda Motor Co., Inc.*, No. 5:20-cv-00666-MHH

Your request must include:

(i) your name, address, and telephone number;
(ii) the year, make and Model, and VIN number of your vehicle,
(iii) the identity of all lawyers representing you, if any, who will appear;
(iv) copies of any papers, exhibits, or other evidence that you or your lawyer will present to the court at the hearing, and
(v) your signature.

You or your lawyer must be present at the start of the Final Approval Hearing. You cannot speak at the hearing if you excluded yourself from the Class.

22. When will the Settlement be final?

The Settlement will not be final unless and until the Court grants final approval of the Settlement at or after the Final Approval Hearing and after any appeals are resolved in favor of the Settlement. Please be patient and check www.HondaFuelPumpsSettlement.com for updates. Please do not call the Judge or Clerk of Court.

APPENDIX: Section VII from the Settlement Agreement (Release and Waiver)

A. The Parties agree to the following release and waiver, which shall take effect upon entry of the Final Judgment and Final Order.

B. In consideration for the Settlement Agreement, Class Representatives, and each Class Member, on behalf of themselves and any other legal or natural persons who may claim by, through, or under them, agree to fully, finally, and forever release, relinquish, acquit, and discharge the Released Parties from any and all claims, demands, suits, petitions, liabilities, causes of action, rights, and damages of any kind and/or type regarding the subject matter of the Action, including, but not limited to, compensatory, exemplary, punitive, expert and/or attorneys' fees or by multipliers, whether past, present, or future, mature, or not yet mature, known or unknown, suspected or unsuspected, contingent or non-contingent, derivative or direct, asserted or un-asserted, whether based on federal, state or local law, statute, ordinance, regulation, code, contract, common law, violations of any state's deceptive, unlawful, or unfair business or trade practices, false, misleading or fraudulent advertising, consumer fraud or consumer protection statutes, any breaches of express, implied or any other warranties, RICO, or the Magnuson-Moss Warranty Act, or any other source, or any claim of any kind arising from, related to, connected with, and/or in any way involving the Action, the Covered Vehicles 'Fuel Pumps, and/or associated parts that are, or could have been, defined, alleged, or described in the Class Action Complaint, the Action, or any amendments of the Class Action Complaint ("Released Claims"); provided, however, that notwithstanding the foregoing, Class Representatives and the other Class Members are not releasing claims for personal injury, wrongful death or physical property damage (except to the Fuel Pump in the Covered Vehicle itself) from the Covered Vehicle.

C. Notwithstanding the foregoing, Class Representatives and/or the other Class Members shall hold Released Parties harmless for all Released Claims that may be asserted by another legal or

natural person (including but not limited to legal guardians and estate administrators) who claim by, through, or under that Class Representative or Class Member.

D. The Final Order and Judgment will reflect the terms of this Release.

E. Class Representatives, on behalf of the other Class Members and through Class Counsel, expressly agree that this Release, the Final Order and Judgment is, will be, and may be raised as a complete defense to, and will preclude any action or proceeding encompassed by, this Release.

F. Class Representatives and Class Members shall not now or hereafter institute, maintain, prosecute, assert, and/or cooperate in the institution, commencement, filing, or prosecution of any suit, action, and/or proceeding, against the Released Parties, either directly or indirectly, on their own behalf, on behalf of a class or on behalf of any other person or entity with respect to the claims, causes of action and/or any other matters released through this settlement and the Settlement Agreement.

G. In connection with the Settlement Agreement, Class Representatives, on behalf of the other Class Members, acknowledge that they and other Class Members may hereafter discover claims presently unknown or unsuspected, or facts in addition to or different from those that they now know or believe to be true concerning the subject matter of the Action and/or the Release herein. Nevertheless, it is the intention of Class Counsel and Class Representatives in executing this Settlement Agreement to fully, finally, and forever settle, release, discharge, and hold harmless all such matters, and all claims relating thereto which exist, hereafter may exist, or might have existed (whether or not previously or currently asserted in any action or proceeding) with respect to the Action, provided, however, that Class Representatives and the other Class Members are not releasing claims for personal injury, wrongful death or physical property damage (except to the Fuel Pump in the Covered Vehicle itself) from the Covered Vehicle.

H. Class Representatives expressly understand and acknowledge that they will be deemed by the Final Order and Judgment to acknowledge and waive Section 1542 of the Civil Code of the State of California, which provides that:

> **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

Class Representatives expressly waive and relinquish any and all rights and benefits that they may have under, or that may be conferred upon them by, the provisions of Section 1542 of the California Civil Code, or any other law of any state or territory that is similar, comparable or equivalent to Section 1542, to the fullest extent they may lawfully waive such rights.

I. Class Representatives represent and warrant that they are the sole and exclusive owners of all claims that they personally are releasing under this Settlement Agreement. Class Representatives further acknowledge that they have not assigned, pledged, or in any manner whatsoever sold, transferred, assigned, or encumbered any right, title, interest, or claim arising out of or in any way whatsoever pertaining to the Action, including, without limitation, any claim for benefits, proceeds, or value under the Action, and that Class Representatives are not aware of anyone other than themselves claiming any interest, in whole or in part, in the claims that they are releasing under the Settlement Agreement or in any benefits, proceeds, or values in the claims that they are releasing under the Settlement Agreement.

J. Without in any way limiting its scope, and, except to the extent otherwise specified in the Agreement, this Release covers by example and without limitation, any and all claims for attorneys' fees, expert or consultant fees, interest, litigation expenses, or any other fees, costs, and/or disbursements incurred by Class Counsel, Plaintiffs' Counsel, Class Representatives, or other Class

Members who claim to have assisted in conferring the benefits under this Settlement Agreement upon the Class.

K. In consideration for the Settlement Agreement, Honda and Denso and their past or present officers, directors, employees, agents, attorneys, predecessors, successors, affiliates, subsidiaries, divisions, successors and assigns shall be deemed to have, and by operation of the Final Order and Judgment shall have, released Plaintiffs' Counsel, Class Counsel, and each Class Representative from any and all causes of action that were or could have been asserted pertaining solely to the conduct in filing and prosecuting the litigation or in settling the Action.

L. Class Representatives, Plaintiffs' Counsel, Class Counsel, and any other attorneys who receive attorneys' fees and costs from this Settlement Agreement acknowledge that they have conducted sufficient independent investigation and discovery to enter into this Settlement Agreement and, by executing this Settlement Agreement, state that they have not relied upon any statements or representations made by the Released Parties or any person or entity representing the Released Parties, other than as set forth in this Settlement Agreement.

M. The Parties specifically understand that there may be further pleadings, discovery requests and responses, testimony, or other matters or materials owed by the Parties pursuant to existing pleading requirements, discovery requests, or pretrial rules, procedures, or orders, and that, by entering into this Settlement Agreement, the Parties expressly waive any right to receive, hear, or inspect such pleadings, testimony, discovery, or other matters or materials.

N. Nothing in this Release shall preclude any action to enforce the terms of the Settlement Agreement, including participation in any of the processes detailed herein.

O. Class Representatives and Class Counsel hereby agree and acknowledge that the provisions of this Release together constitute an essential and material term of the Settlement Agreement and shall be included in any Final Order and Judgment entered by the Court.
