CLAIM FORM INSTRUCTIONS**

You received this Claim Form because records show that you owned or leased a 2018-2019 Honda Odyssey, 2019 Honda Pilot, or 2019 Honda Passport covered by this Settlement. To qualify for any of the Settlement Benefits discussed below, you must file a Claim Form by the **March 5, 2022** claim deadline.

There are four (4) different categories of Settlement Benefits available if you are eligible and file a valid Claim Form. They are as follows:

**Benefit 1: Two Free Years of HondaLink Security Service or One Free Year of SiriusXM Select Service**

If you made more than one service visit to an authorized Honda dealership for Infotainment System issues not resolved during the initial warranty service visit and the subsequent visit did not occur as a result of a recall or product update on or before **October 5, 2021**, you may be eligible to receive, depending on the trim of your vehicle, either two (2) free years of HondaLink Security Service (Elite and Touring trim vehicles) or one (1) free year of SiriusXM Select service (EX and EX-L trim vehicles). You must file a Claim Form to receive Benefit 1. If you have documents showing your visit(s) to the dealer (such as repair invoices or other evidence) or can obtain them from the dealer, you should also submit those documents.

**Benefit 2: Costs of Recharging Vehicle's Battery**

If you paid to recharge your Vehicle's battery because the Vehicle's Infotainment System would not turn off, and you have proof of the expenses you incurred, you should file a Claim Form for Benefit 2. To be valid, your claim must include documentation of the condition and the expense.

**Benefit 3: Transportation Cost Reimbursement**

If you returned your Vehicle to an authorized dealership to obtain a repair for Infotainment System issues on *two or more occasions*, and you incurred rental car, taxicab, or other ride-sharing service charges while your Vehicle was being serviced for those issues, you should file a Claim Form for Benefit 3. To be valid, your claim must include documentation of the visits and the expense.

**Benefit 4: Costs for Post Warranty Infotainment System Repairs**

If you incurred out-of-pocket repair expenses for Infotainment System Symptoms because your Vehicle's original New Vehicle Limited Warranty term (3 years/36,000 miles) expired prior to the date that the Settlement's Extended Warranty took effect (adding 2 years/24,000 miles to the original warranty), you should file a Claim Form for Benefit 4. The Extended Warranty covers Infotainment System Symptoms, which refers to the symptoms identified in: (1) Honda Service Bulletin 20-049 (popping or crackling from the speakers, no sound from the audio system, network loss message); and (2) Honda Service Bulletin 20-058 (popping or crackling from the speakers, no sound from the audio system, network loss message and/or display issues). The Extended Warranty is subject to the same terms and conditions as the original NVLW issued at the original point of sale or lease of each Settlement Class Vehicle. To be valid, your claim must include documentation of the covered warranty repairs and the expense.
